

Boycott Apartheid Israel

***Apartheid:
Wrong in South Africa
Wrong in Palestine***

*"...we know too well that our
freedom is incomplete
without the freedom
of the Palestinians."
-Nelson Mandela*

What is BDS?

In 2005, Palestinian civil society issued a call for a campaign of boycotts, divestment and sanctions (BDS) against Israel until it complies with international law and Palestinian human rights.

Why "Apartheid"?

Israel's regime over the Palestinian people amounts to apartheid because it displays many of the main features of the crime (including racial discrimination) as defined by international law.
